

# MEXICO NOM LABELING REQUIREMENTS

Figure 1

LABEL DRAFT

<NAME OF MANUFACTURER>

<BRAND (IF DIFFERENT)>

<GENERIC PRODUCT  
NAME / DESCRIPTION IN SPANISH>

<INPUT: \_\_\_ V<sub>ca</sub> \_\_\_ Hz \_\_\_ A>

<OUTPUT: \_\_\_ V<sub>ca</sub> \_\_\_ Hz \_\_\_ A>

<COUNTRY OF ORIGIN>

**NOM**

**All of the information shown on the label draft (Figure 1) is mandatory and applies to all end-devices and accompanying power supply units.**

LARCG can provide the product description in Spanish. If certifying with NYCE, please confirm description with LARCG.

**NOTE:** The voltage must be shown in the correct format:

- For **Alternating** – shown as **V<sub>ca</sub>** or **V<sub>c.a.</sub>** or **V<sub>~</sub>**
- for **Direct** – shown as **V<sub>cc</sub>** or **V<sub>c.c.</sub>** or **V<sub>==</sub>**
- “Output” may not apply to all products

Label must include the NOM mark. If certifying with NYCE, must also have NYCE logo.
