

MEXICO NOM SAFETY LABELING REQUIREMENTS

Figure 1

LABEL DRAFT

<MODEL NAME/NUMBER>
<NAME OF MANUFACTURER>
<BRAND (IF DIFFERENT)>
<GENERIC PRODUCT
NAME / DESCRIPTION IN SPANISH>
<INPUT: ___ V_{ca} ___ Hz ___ A>
<OUTPUT: ___ V_{ca} ___ Hz ___ A>
<COUNTRY OF ORIGIN>

All of the information shown on the label draft (Figure 1) is mandatory and applies to all end-devices and accompanying power supply units.

LARCG can provide the product description in Spanish. If certifying with NYCE, please confirm description with LARCG.

NOTE: The voltage must be shown in the correct format:

- For **Alternating** – shown as **V_{ca}** or **V_{c.a.}** or **V~**
- for **Direct** – shown as **V_{cc}** or **V_{c.c.}** or **V⁼⁼**
- “Output” may not apply to all products

Label must include the NOM mark. If certifying with NYCE, must also have NYCE logo.
